2024-2025 Executive Board Nominations

Per our By-Laws:

At the regular meeting in February, a nominating committee of four members (one per grade level) shall be appointed by the Executive Board and approved by the Association. It shall be the duty of this committee to nominate candidates for the offices to be filled at the annual meeting in May. The nominating committee shall present the names of the candidates at the regular meeting in April. Additional nominations from the floor shall be permitted prior to the election at the May meeting. If there is but one candidate for each respective office, the President shall have the authority to declare said candidates duly elected; otherwise the election shall be by ballot. A plurality vote of those present and voting shall constitute an election. The officers shall assume the duties of their offices at the July meeting.

We are looking for 1 volunteer per grade level to form the nominations committee.

We do have some people already willing to be nominated. These names will be shared with the committee, along with the current 9th-11th grade student roster.

No member shall hold more than one (1) elected office at a time and no member shall be eligible to serve more than (2) consecutive years in the same elected office.

Director's Report

- Lots going on right now, not much to announce yet.
- Yes, the Cavalcade schedule is out. Yes COB is not on it.
- No, this doesn't mean there is no COB in 2024. We are still planning to bring back COB for the 2024 season.
- I am at the senior night basketball game. This is a great service to our school and a great recruiting opportunity - We have about 30 students playing stands tunes for the team - 5 of whom did not march in the fall.
