**Food:** You should eat breakfast before you arrive in the morning. You will have a snack break around noon and a lunch break at 2:15 PM. For dinner, you either bring food or plan to buy at the stadium

**Attire:** Daytime temperatures will be mid 60s for practice. Evening temperatures will be in the 50s. We will be changing out at the show, so make sure you are wearing what you need under the uniform, and bring clothes.

### Looking Ahead – Senior Night and COB

Week 7 for us is all home events. Friday 10/17 is our Senior Night game, where all of our seniors can be recognized with their families on the field. Saturday 10/18 is Celebration of Bands, our home marching band competition. Both of these are great events to recognize our students, but also require a lot of support from underclassmen and parents. We really appreciate all you do to make this weekend special!

**Parents:** The final WT MBA meeting before COB will be tomorrow (Tuesday) evening, 7:30 in the band room. Come take part in our final preparations for the show.

**Students:** We need band members to make posters for the Seniors for Senior Recognition Night (10/17/2025). The posters are hung up in the stadium along with the professionally printed banners. There are 11 Seniors: Maya Cole, Lex DiPaolo, Paige Mattis, Marilyn McNamee, Virgil Pierce, Brianna Rodriguez, Rylee Small, Jariv Valois, Kalena Viera, Mariela Karlick, and Haley Wyman. Depending upon the number of pictures you receive, there is typically two posters for each Senior. Any questions – talk to one of your sophomores or juniors who have seen this tradition before. Thanks for helping with this important event!
