Ohio Recap

Not only did you all bring this show to one of the largest stadiums in the county, you did so with pride and energy, and definitely put down our best show yet this year. A huge thanks to everyone who played a role in making this trip happen – from our chaperones helping keep our groups together, our road crew that made the journey and helped us get everywhere we needed, and of course our executive board for collecting and organizing all the payments and logistics leading up to the trip.

Pictures from the trip are being posted to the “media” section of SportsYou – take a look and download/save your favorites.

Our show video is available for download at the following link: We will also have this link posted to the school district’s official Youtube Channel. **Please DO NOT post the video on any personal channels.** Thank you.
