Dear Families, Band Members, Staff, and Distinguished Guests,

On behalf of the Centennial School District Board of School Directors and our entire school community, it is my pleasure to welcome you to Alumni Stadium for the **30th Annual Celebration of the Bands**. Tonight, we are honored to host this outstanding tradition as talented student musicians from across Bucks County and the surrounding region come together to share their passion, dedication, and artistry.

A marching band is much more than a performance ensemble; it is a testament to teamwork, discipline, perseverance, and school pride. Behind every performance are countless hours of rehearsals, lessons, band camps, competitions, and unwavering commitment. To our student musicians, thank you for your dedication, hard work, and the pride you bring to your schools and communities. Your talent and enthusiasm inspire us all.

We also extend our heartfelt appreciation to the directors, instructors, and staff members whose leadership, encouragement, and expertise help these young musicians achieve excellence. To our families, booster organizations, and volunteers, thank you for the countless hours, generous support, and unwavering commitment you provide throughout the season. Your partnership is an essential part of every success celebrated on the field.

We would like to offer special recognition to the members of the William Tennent Marching Band Association, especially Booster President **Amy Cons** and Vice President **Mary Rooney**, for their exceptional dedication to our students and marching band program. We are equally grateful to our Marching Band Director, **Mr. Nicholas Seifert**, his talented staff, and the many volunteers whose hard work and careful planning make this memorable evening possible.

Thank you for joining us as we celebrate the remarkable accomplishments of these outstanding young musicians. We hope you enjoy an evening filled with exceptional performances, lasting memories, and the spirit of music that brings our communities together.

With appreciation,

Dear Families, Supporters, and Participants,

It is my absolute pleasure to welcome you to another exciting season of the William Tennent Marching Band! Whether you're joining us for a Friday night halftime show, a weekend competition, or our beloved Celebration of Bands, you are about to witness the artistry and commitment that make this program a true source of pride for Panther Nation.

Marching band is far more than a performance; it is an education in resilience, leadership, collaboration, and creativity. Each show represents countless hours of practice culminating in performances that capture both precision and passion. Watching our students bring their music and movement to life is a powerful reminder of what young people can achieve when talent, hard work, and great mentorship come together.

That mentorship starts with our Director Nicholas Seifert. Since stepping into his role, Mr. Seifert has brought passion, vision, and an unwavering commitment to excellence to our band program. His dedication to developing not just better musicians, but better people, is evident in every rehearsal, every performance, and every interaction with our students. Under his direction, the William Tennent Marching Band continues to grow in both artistry and spirit, and we could not be prouder of the culture he has built.

Of course, none of this would be possible without our incredible Marching Band Boosters. To our Booster Club: thank you. Thank you for the early mornings and late nights, the fundraising, the uniform fittings, the equipment hauled, and the thousand small tasks that so often go unseen but never go unappreciated. Your tireless dedication and love for these students is the backbone of our program, and it does not go unnoticed. You give your time, your talents, and your hearts, and our students are better for it.

Finally, to everyone filling the stands and stadiums to cheer on our band this season, thank you for your energy and encouragement. Your support means the world to these students, and it fuels every step, note, and formation.

Here's to a season filled with music, camaraderie, and the spirit of community that makes William Tennent so special.

Go Panthers, and enjoy the show!

Good evening, and welcome to the 30th annual William Tennent High School Celebration of Bands. Tonight, we are very proud to continue this event, which has been an important part of our school community since 1995. For our 30th anniversary of this event, we are especially proud to welcome the Temple University Diamond Marching Band to our stadium. We are so thankful to Dr. Brunner for performing for these amazing students and cannot wait to see and hear their show!

Hundreds of students from area marching bands will take the field tonight. Their shows are the results of countless hours of hard work, both on and off the field. They represent the dedication of students, staff, and volunteers alike, all striving to create a positive and memorable experience for one another. We are honored to showcase their hard work on our field, and we hope you enjoy their performances.

Hosting this show is a huge undertaking, and I am so grateful for all the help and support we receive to bring this event into its 30th year. Thank you to USBands for the opportunity to host our event, especially executive director Sean King, and their operations and ensemble relations teams. Also thank you to the administration of William Tennent High School, especially Superintendent Dr. Abe Lucabaugh, Principal Dr. Joseph Carracappa, and Athletic Director John Creighton, for their support throughout our season. I would also like to thank our entire district music department, especially our middle school band teachers Ms. Gina Lenox and Mr. Christopher Goppold, all of whom have contributed greatly to the musical and personal development of our students. Finally, I would like to thank all of the volunteers that have made this event and this season possible. We are so grateful to the parents of the William Tennent Music Boosters Association for their incredible effort in organizing and executing this event, and all the work they do throughout the season, supporting our students wherever we go! We even have WTMB alumni and alumni parents that have come back to support us and our show! Without you, this season would not have been possible.

To our audience, we hope you enjoy the bands with the opportunity to perform this evening. I hope their season of hard work shows through every step, every note, every person, every time.

To our students, congratulations on a fantastic season so far. I hope you continue to push yourself and leave the field incredibly proud of what you have accomplished together. It is a joy working with you.

Sincerely,

Nicholas Seifert

WILLIAM TENNENT MUSIC BOOSTERS ASSOCIATION
PROUDLY PRESENTS
THE 30TH ANNUAL CELEBRATION OF BANDS
SEPTEMBER 19TH, 2026

Good Evening, Families, Friends, and Supporters,

On behalf of the William Tennent Music Boosters Association, the William Tennent Marching Panthers, and William Tennent High School, it is my distinct pleasure to welcome you to the 30th Annual Celebration of Bands here at our beautiful Alumni Stadium.

This evening, we are proud to showcase an incredible display of musical and visual talent from outstanding high school and college level bands representing Pennsylvania, New Jersey, and Delaware. Behind every performance are countless hours of practice, preparation, dedication, and teamwork. We are honored to have these talented students, directors, and staff join us tonight and share the results of their hard work with our community.

We extend our sincere gratitude to all of the participating bands, their directors, staff, and band booster and parent organizations for being part of this special evening. Your passion, commitment, and talent are what make the Celebration of Bands such a memorable event year after year.

We would also like to recognize and thank the many individuals and organizations whose generosity and support help make tonight possible. The continued enthusiasm of our Music Boosters Association members, school administrators, Centennial School District communities, and local businesses plays an invaluable role in the success of this event.

A very special thank-you goes to this year's Celebration of Bands Chair, Mr. Michael McNamee. Mike, along with all of our committee chairs and dedicated volunteers, has devoted countless hours to planning, organizing, and preparing for tonight. Their hard work and commitment do not go unnoticed. An event of this size simply would not be possible without the many people who generously give their time, energy, and talents to support the William Tennent Music Boosters Association.

We would also like to extend our heartfelt appreciation to our Band Director, Mr. Nicholas Seifert, and the entire WTMB staff. Their hard work, determination, and guidance continue to help instrumental music flourish at William Tennent High School. More importantly, they provide our students with opportunities to challenge themselves, build confidence, develop lifelong friendships, and grow not only as musicians, but as young adults.

With Sincere Appreciation,
Amy L. Cons WTMB President

WILLIAM TENNENT

H I G H S C H O O L

The William Tennent High School Marching Panther Band Presents our 2026 Program...

Join us in tropical Rio De Janiero for our 2026 show. Inspired by the annual festival, our show portrays a full day of a Brazilian Samba School competing in Carnaval. The show begins with a parade complete with a float as the band enters the festival to a rousing percussion introduction. The band then plays a blend of Latin-infused music from energetic fanfares to smooth samba melodies. We then close with André Filho's anthem of Rio De Janiero, Cidade Maravilhosa. So whether you sit back and listen or get up and dance, we hope you enjoy our production of Carnaval!

Carnaval is designed by GPG Musi, and arranged by Steve Martin, Aaron Hines, Kyle Zive and Nicholas Seifert. Percussion is composed by Anthony Cortese, Jack Burdwood, and Nicholas Seifert. Visual design is written by Ethan Fogleman and Lexi Horne.

The band is under the direction of Nick Seifert, assisted by, Noelle Olmsted (Woodwinds), Suzanne Hamiton (Brass), Ethan Fogleman (Front). Jack Burdwood (Battery) and Lexi Horne (Guard).

The band is led on the field by drum major Emilie Tran and section leaders Amelia Mickle (Woodwinds), Zoe Baganski (Saxes), Josiah Lopez (Brass), Anna Rooney (Battery), Isabella Catalano (Front Ensemble), and Nadine Reale (Guard).

The band would like to thank President Amy Cons and the entire WTMBA for their unwavering support leading up to and during the marching season. We would also like to thank USBands and their host schools for providing excellent performance opportunities for our students.
