PRESIDENT'S REPORT:

- Website -
 - Updated all pages with new forms, dates, etc... Need to update the Middle School band night
 - Please look through and let me know if you see anything I missed
- Shirts - what did we decide on for under the uniforms - are we issuing solid black T-shirts with the logo or just the black polo
- Ordered 2 rolling clothing racks for the new uniforms
- Just an FYI regarding Food Truck Date - I apologize for any confusion - the request for facility use was submitted to the district with the 5/4 date that the board had originally agreed on, John Creighton let us know we could not have that date due to SATs.
- Payment of \$3,502.80 was made for the show music and guard choreography
- Movie night was fun, kids enjoyed pizza and popcorn.
- Kona Ice - possible fundraiser - waiting for approval from John Creighton - no work on our part - truck shows up at games and 20% of their proceeds goes to the band.
