Temple Band Day Confirmed

Congratulations on a Great Season!

Congrats everyone on finishing our competitive season. Killer Queen's Gambit will certainly go down as a huge step forward for this band. We stepped up the level of this show in every way, and with 60% new members, we rose to the occasion!

Congratulations especially to our seniors. Whether your journey with us was 1 year or 4, you have done amazing things for the success of our band.

Thank you also to all the parents who have given us so much support this year, from planning fundraisers and traditions, pushing stuff on and off the field, and everything in between. We had a ton of GREAT new parents to go with a ton of GREAT new students, and we really appreciate all you do.

What will 2026 bring? Well, the staff starts planning for 2026 NEXT WEEK! I've got some big plans already, and we want to bring every single one of you back!

ROLL WT!

Powder Puff Pep Rally

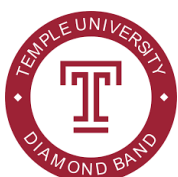

A classic Willy-T tradition. We will be having a pep rally for the Powderpuff game DURING THE SCHOOL DAY on November 12th. Students will report to the band room at the beginning of 4th period, and **then go to the gym (not stadium).**

Anyone is the marching band who is not in the powderpuff game is required to be with the band for this event. We will be playing music out of the stands folders.

We will leave the pep rally with enough time to clean up and catch busses home. ***We do not play the Powderpuff game at night – just the 4th period pep rally!***
